### Directions to Manhasset-Lakeville Firehouse on Bayview Avenue Manhasset, New York

#### Shelter Rock Road to Firehouse Directions

Take Shelter Rock Road (heading North) to end of road (Route 25A, a.k.a. Northern Blvd., intersection), and make a left onto Northern Boulevard. Move to the right lane and proceed to the second traffic light (a fairly short distance). Make a right turn at that second light onto Plandome Road. At that intersection there is a gas station and several churches. On Plandome Road, go to third traffic light and make left (Star Bucks on the left corner) onto Bayview Avenue. The firehouse is about a couple of hundred yards on the right. **Please do NOT park in the firehouse parking lot as it is reserved for firemen when there is a fire.** Parking is available in a lot behind the VFW hall just before the firehouse on the right, in a lot across the street from the VFW hall and on the street that ends across from the firehouse and the VFW hall.

#### From Long Island East or Southeast of Manhasset (Suffolk & Eastern Nassau Counties)

Take Northern State Parkway to exit 27. At the end of exit ramp, make a right at light onto Shelter Rock Road. Follow local Shelter Rock Road to Firehouse directions above.

#### From Long Island West or Southwest of Manhasset (Western Nassau County or Queens)

Take Northern State Parkway or Grand Central Parkway East (name changes to Northern State Parkway when you cross into Nassau County from Queens) to exit 27N (North). At the end of exit ramp, continue North on Shelter Rock Road. Follow local Shelter Rock Road to Firehouse directions above.

#### From Points North of Long Island (Westchester, Yonkers, etc.)

Take either the Throgs Neck Bridge or the Whitestone Bridge to the Cross Island Parkway (South). The exit on the Throgs Neck will be on the eastern side of the bridge and for the Whitestone Bridge, stay in left lanes and bare left "To Long Island" on the eastern side of the bridge. Stay on the Cross Island Parkway until you reach the Grand Central Parkway exit. On the exit ramp, choose the East exit to Long Island. The Grand Central becomes the Northern State Parkway when you reach Nassau County. Take Northern State Parkway exit 27N (it is the North exit - after the 27S exit). At the end of exit ramp, continue north on Shelter Rock Road. Follow local Shelter Rock Road to Firehouse directions above.

#### From Points West of Long Island (NYC)

Take the FDR to the Tri-borough Bridge which puts you on the Grand Central Parkway. Or take the Midtown Tunnel to the LIE to the Grand Central Parkway (East) exit in Queens. The Grand Central becomes the Northern State Parkway when you reach Nassau County. Take Northern State Parkway exit 27N (it is the North exit - after the 27S exit). At the end of exit ramp, continue north on Shelter Rock Road. Follow local Shelter Rock Road to Firehouse directions above.
